Kay,

We have sure had a lot of good times this year. History class has been a ball, or maybe I should say brawl. Remember Mr. Chuckle, Miss Litterman, Mr. Pedigrew (or whatever his name was) Miss Big-Hips, etc. (Of course you do, how could you forget?) And remember that blond doll in English. Also don't forget the hatchet murderer, hook hand, etc, etc., yuk-yuk-yuk. Your brother sure is a good story teller. I hope you get well so that we can play golf again this summer; maybe we can improve about 10-15 strokes for a nine hole game. With a little luck, we might even get below 100 this year. Best of luck always. You deserve it!

Mary Jo

P.S. Bet you thought I'd forgotten you, didn't you? Well, I haven't. I've been busy as a beaver with my studies and all (Ha!) but I've been thinking of you often. Hope you get well soon. Thanks very much for the card. It was very thoughtful of you. Keep your chin up. Best of luck.

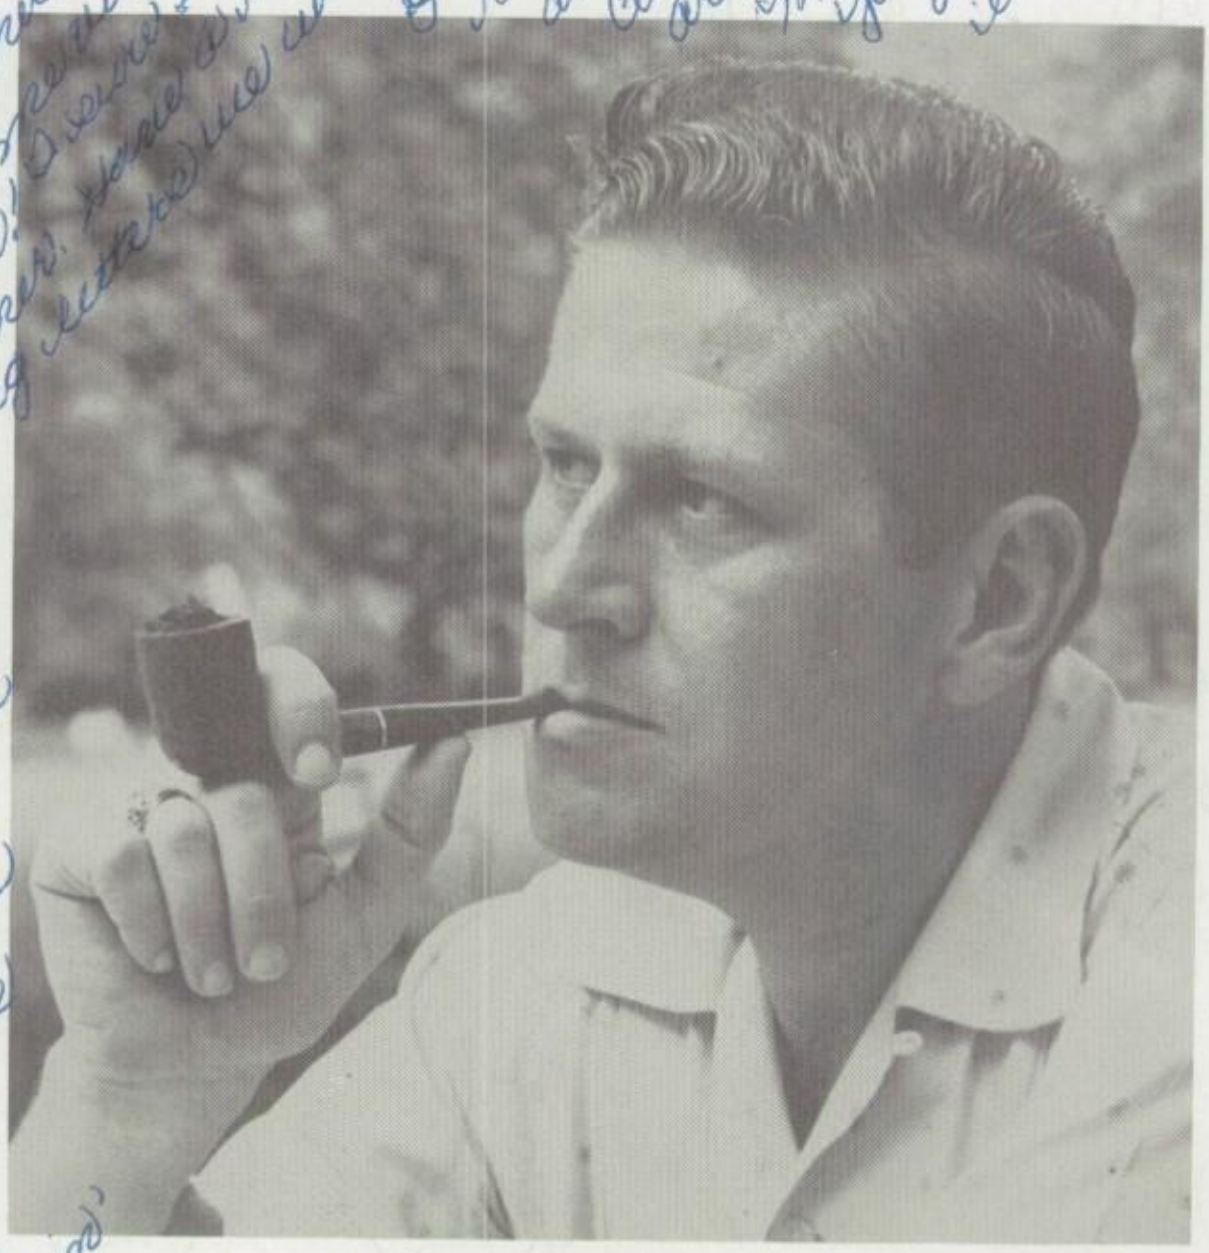
making those posters. Sad that he couldn't have won, tho. I'll never forget sneaking into the school to put up those letters on the ceiling. By the way, I think they're still up there. That's how they'll always remember us! Isn't that a sweet thought? (pg. 81)



# DEDICATION

We, the seniors of 1957, feel it is a great privilege to be able to dedicate our Oracle to Dr. P. Miller Mayfield. Although he has been at Burris but a short time he has gained many friends in the student body. As a teacher he has helped individuals in their attempts to develop and strengthen their democratic ideals. As a friend he has always been willing to advise and aid us in any way possible.

We are happy to have this opportunity to give formal recognition to a person who has been very sympathetic and understanding in the ups and downs of our growing up.

All the seniors agree that their years at Burris have been wonderful and memorable years. Activities which stand out most in their mind are the Senior Trip, the Senior Play, and the Junior-Senior Prom. The most remembered experiences are those which the class did together and learned to cooperate in the fullest degree.

Burris, the place where we have spent our last four years, the happiest four years of our lives.

# SPORTS

# CROSS COUNTRY

The Burris cross country team, under the direction of "Pappy" Myers, had another good season. The Golden Owls paced by Dave's, Johnson and Emens, finished second in the conference and the Shortridge Invitational. They finished fifth in the toughest sectional in the state.

Johnson led the Owls in all meets but one, where Emens was first. They were followed closely by Blanch, Shock, Hines, Turner, Powell, and Loose. Myers can look forward to a promising season as Johnson, Shock, Turner, and Loose will return, and moving up into varsity positions will be Wilson, Love, Ehrhardt, McVey and Huffman.

# BASKETBALL

The team was paced by the sharp shooting and driving of Burgauer and Porter and the rebounding of Emens, Porter, and Rivers. Barcus was the playmaker for the team.

Next year's outlook is good with Porter and Rivers returning along with lettermen Loose and Shock. Those moving up to the varsity include Bob Johnson, Marsh, Tovatt, McIndoo, Mendenhall, Sims, and Bracken.

## SECOND TEAM

This year's second team had a better than average season. Under the direction of Richard Bonvechio the team compiled eight victories while losing ten. It proved valuable experience for the boys who will be moving up to the varsity next year.

# SWIMMING TEAM

The swimming season this year was very successful, not in terms of the meets we won but in terms of team spirit and a good coach. The record this year was five wins and five defeats. The climax of the season was the State Meet at Purdue where the once defeated 200 yd. relay team took second. Bill Powell took second in the 50 yd. freestyle, Bob Powell fourth in the 200 yd. freestyle, and Larry Schulof, a very promising Freshman, third in the 150 yd. individual medley.

Coach Korsgaard is looking forward to when the present underclassmen develop into a well-balanced team.

The outlook for this year's tennis team is very favorable, with hopes of living up to the high standards set by last year's undefeated team. Three returning lettermen in John Barcus, Ned Tuhey, and Bill McIndoo, plus a pair of promising sophomores in Alan Marsh and Arthur Rettig give this year's team an outlook for a brilliant season.

# TRACK

This year's track squad should have a good season. It will not be as exceptional as that of a year ago because of the loss of Huffman and Mart, but you can be sure that Coach Myers will do a terrific job in handling the squad. This year's team has a good outlook for field events with Burgauer in the broad jump, Emens in the high jump, and the Powells in the pole vault. They will also have strength in the 880, 440, and 220 with returning letterman Hines, Blanch, Shock, Turner, and Wilson. Underclassmen who will probably move into varsity positions include: Tovatt, Beebe, Sims, Porter, Love, Johnson, Huckleberry, Huffman, and Rivers. Seniors out for the first time who should do quite well include Chaney and Stolz in the field events.

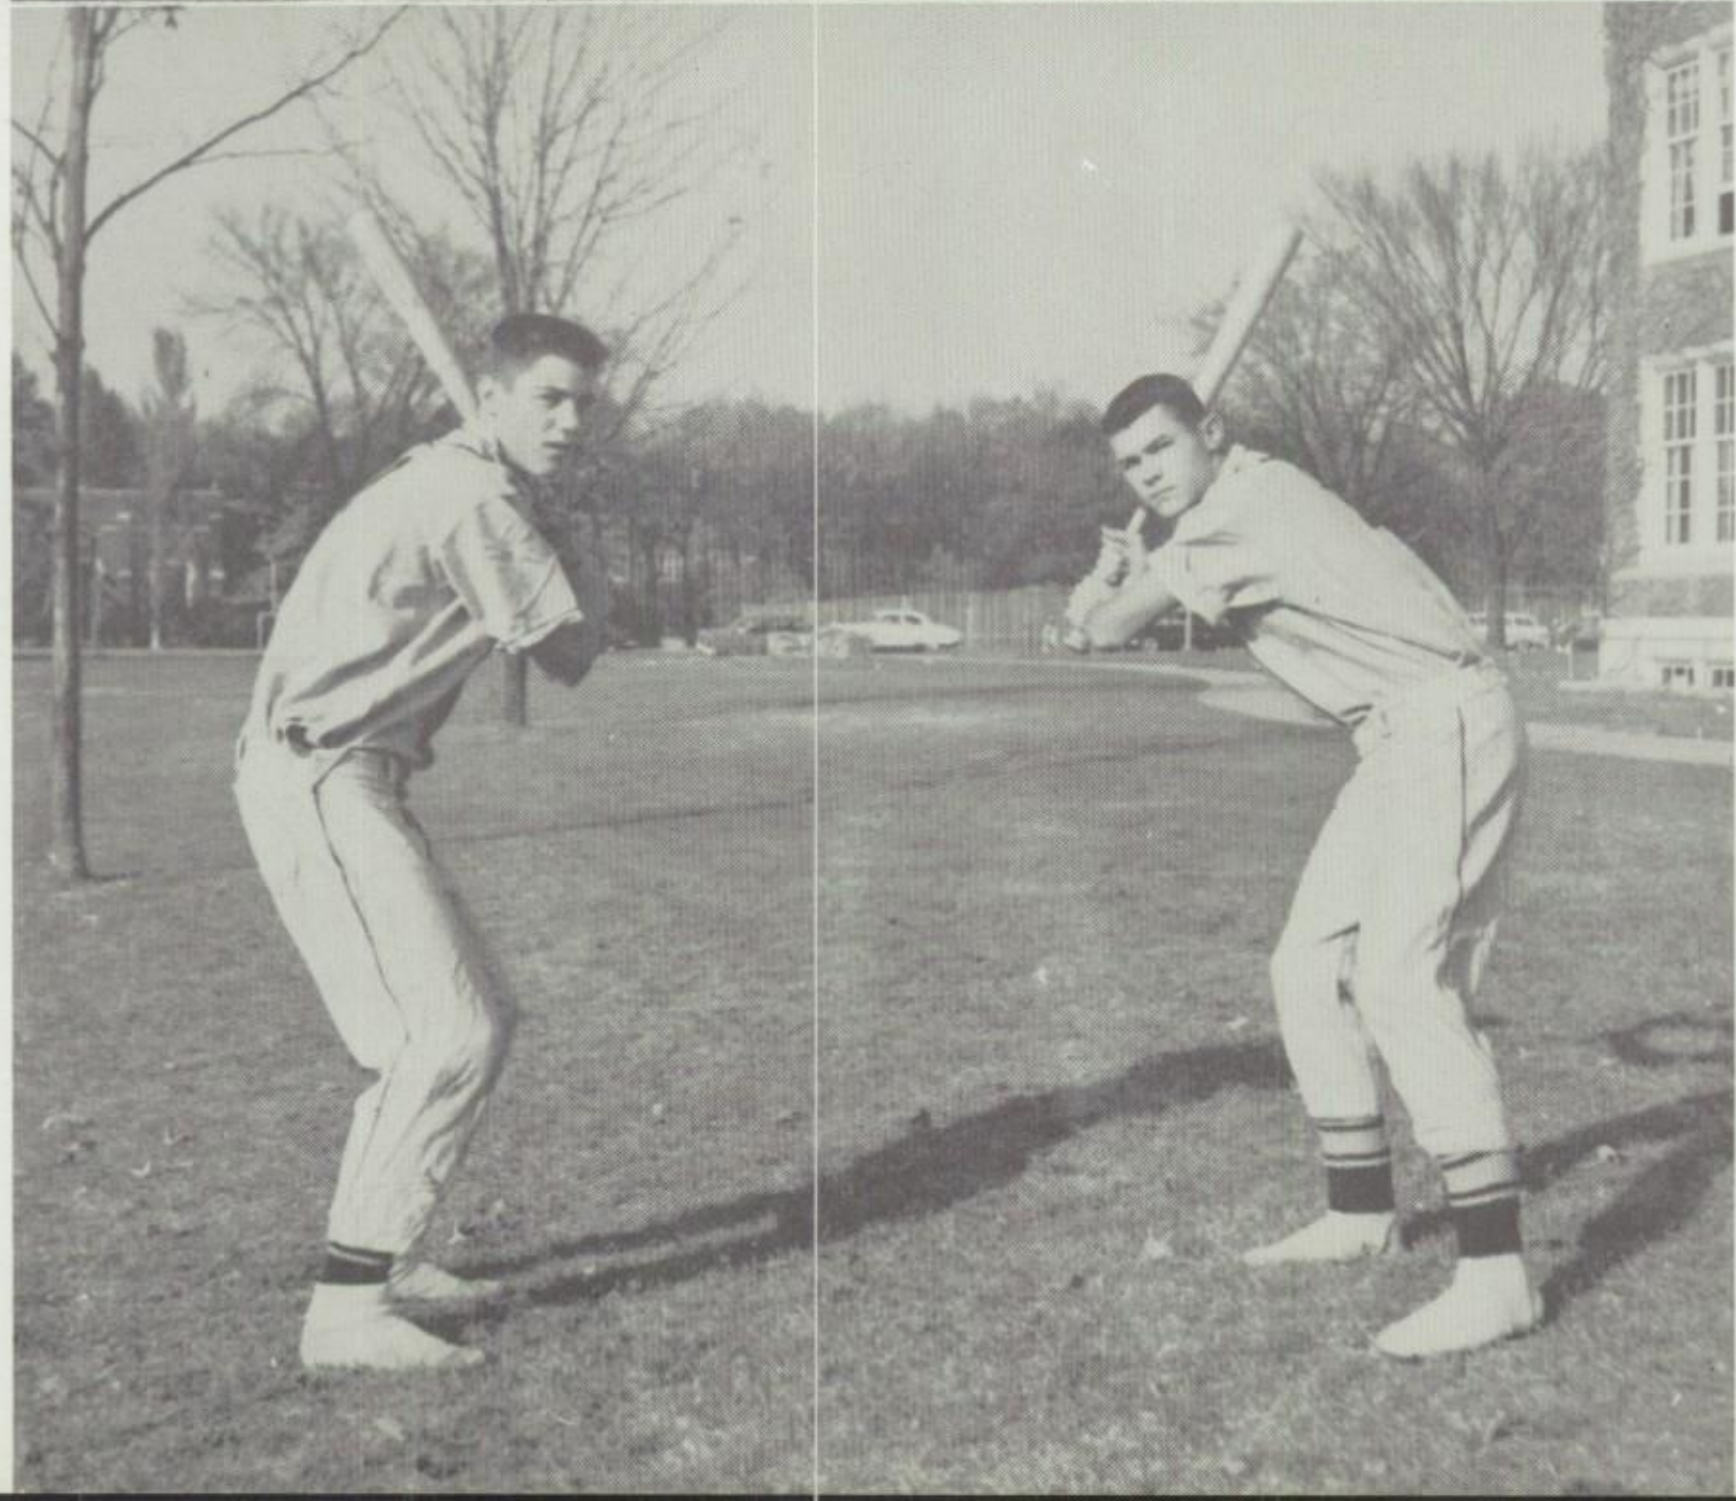
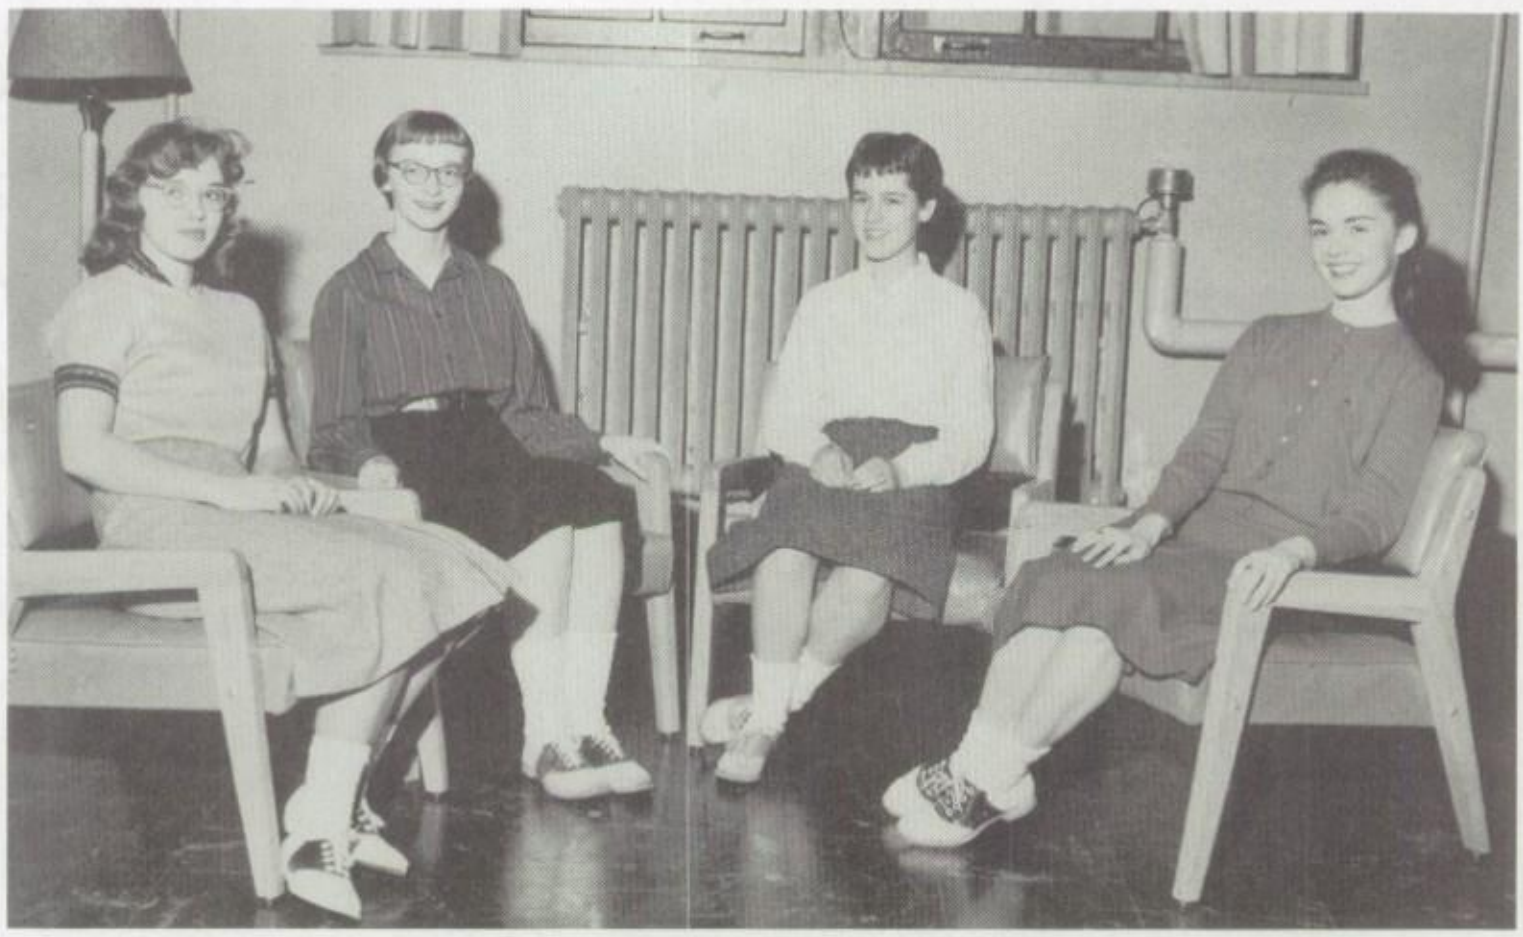
BASEBALL

This year's baseball team was sparked by six Seniors: Barcus, Burgauer, Chaney, Martin, Powell, and Tuhey. It was also accredited with two Juniors, four Sophomores and several Freshmen. In his first year as baseball coach, Mr. Bonvechio did an excellent job, and for not being able to have practices, the team also did very well. Powell led the team in batting averages with a .451. Barcus, Burgauer, and Tovatt were the pitchers.



G. A. A.

The G. A. A. had many activities this year. Some are basketball, speedball, and volleyball which other schools were able to enter into also. Theresa Quakenbush was president.



OFFICERS

Theresa Quakenbush, President; Mathilde Loker, Treasurer; Ann Shroyer, Secretary; Cindy Moss, Vice President.

Kay-Kay ~

Boy I sure had a hard enough time finding a place to write in this book of yours! This year has really been great hasn't it? We sure have caused more than our share of trouble in orchestra. I bet Mr. Cooley loved us, in fact I'm sure of it!!! Next year we ought to have twice as much fun since we are both going to be in choir and orchestra. Those poor teachers that have to put up with both of us. Oh, first chour you'll really have to behave yourself now.

Chinese children

Gosh, can remember all the times we doubled. It was really lots of fun?? You may not think so now but at the time. Remember the time we went to the fair I'm not kidding I really had a ball that night even with all those horrid rides I was forced to go on!! But sure is mean at times! Then there were the times we went to those shows we went too? Especially those drive-in's!!!! Also there was Sherwood we really can't forget her!!! I wonder how she is these days? Then there were the times you and Susie and I got together and acted like a bunch of idiots!! I sure wasn't sorry Susie had to move because now I don't get to see you so often. Sob! We mustn't forget the operette this year. You sure made a fine chorus girl!! Boy what crazy legs! Its really been tons of fun knowing you and I hope we can continue to get together and have fun! Keep that wonderful laugh that sr. Cooley likes so well!! You're really a cute girl and I sure wish

Everything goes

I sure will miss Chaney in the choir. But
chair next year
without Kenny
won't be the same! I don't even think
Charlie is going to be in choir next
year — too bad! who are those 2 dolls
on the top row 5th + 6th from the
left end? Cute, eh?!! what will the
choir do without me next year?
I wish you had been on our last

camping trip — it was wet, but fun!

MADRIGAL

The Madrigal is something new this year. Mrs. Peg Neuen is the director. Members are Marty Christoffer, Becky Carbaugh, Bonnie Wallace, Sally Simpson, Dennis Chaney, Gary Fadely, Jerry Clark, and Joe Andrew. Their activities were similar to those of the choir's.

Nancy S., Ellen, Jean and I were in
one tent and would have been so
much if you were there — that's
where Ellen got that good book that
we all read.

I heard that you had a pretty
great time at the ladies last fall.
As to what he said to me today
in Latin (pronunciation) I wouldn't dare
it. That really made me sick!!

(over)

We've had some good times talking to Patsy and Judd in Latin. Between the two of them, it isn't even safe in broad daylight. I'm glad that there are a lot of girls in there — especially with magen!! He really signed my death!! I sure can't let my mother read this!!

# ACKNOWLEDGMENTS . . .

The Oracle staff would like to take this opportunity to express their appreciation and thanks for all the help and assistance that we have received from Mr. Sutton and Keith Kern of Delaware Engraving. We will never be able to repay Keith for all his diligent work, assistance, and especially his patience. Without these two men this Oracle would not have been made possible, for they were always more than willing to help us. We will never forget their kindness and may we again say thank you, for we shall ever be indebted to you.

Kay!

I'm so sad I can hardly write - I've been this way ever since our college students left history class! I bet they miss us too. Don't call me any names - remember I'm a big, tough member now!!

We have sure had fun being mean haven't we? Poor Mrs. Kern is about to crack up — poor "girl." I think the ~~Sis~~ Schuckles should have named the baby Velma Jo...!!

The only time I don't have much to say is when I'm signing Oracles.

Let's get together this summer, okay?
